

Greetings! Here's hoping this note finds you well! Daron Sutton here sending you this note on behalf our golf event on May 14 at [Mesa Country Club](#) benefiting the [Southwest Autism Research and Resource Center](#), *Perfect Game Swings for Autism*. For many, this is not an intro but a renewal of communications, as we have previously worked or shared time together and many of you have been involved with our efforts for autism. So many have been huge supporters for more nearly a decade and a half and we are still very grateful! The golf gets underway at 830am and will be followed by lunch and an acoustic afternoon with the talented [Ryan McIntyre](#). This year marks the 13th year we have held this event in the Valley and we are excited again this go-round to have [Perfect Game](#) as our title sponsor and promotional partner. This rewarding event was known as "Sutton's Strokes for the Little Folks" for the first decade but it's with great pride that we bring the generosity of the Perfect Game family into our name for the long run. I am humbly reaching out to you in hopes of support for the event of any type, as even the smallest amount will benefit immensely. Please considering sponsorship of all levels and we will make sure your company's, or individual, generosity is recognized on all Perfect Game platforms as well as around the course the day of the event. We'd be honored and blessed to have you purchase a foursome and see some of your staff, partners or friends enjoying the Arizona sun for a great cause. We'd also make great use of donated items for our raffle, silent auction or 'golfer goodie bag'. If you can't make the golf due to a morning meeting, please make time to join us in the afternoon for a beverage and unforgettable music.

Having been around the game my entire life as a ballplayer's kid, minor league pitcher or big league announcer, it has always been a goal and obligation to add a small patch to the community quilt. Here's hoping you may be able to assist us in that effort and add to your 2018 season with the spirit of giving. Please call with any questions. Our thoughts and blessings to you and your organization as you consider support. On behalf of SARRC and all of our volunteers, thanks for your consideration and a moment of your time.

Sincerely,

Daron
